

Let's Code!

<humanities type="digital"/>

Come and explore text encoding in a hands-on workshop teaching participants the basics of creating digital projects with XML code. This is a debut session of the workshop that Sigma Tau Delta panelists will present at the International Sigma Tau Delta convention in Minneapolis in March 2016. Help us prepare for our conference presentation, and learn the basics of our work as Pitt-Greensburg Digital Humanists!

When:
Feb. 25th 2016
11:30 AM - 1 PM

Where:
Village Hall 118

Presenters:

Dr. Beshero-Bondar

Brooke Lawrence

Rebecca Parker
